### Junior Development Class

This class is for players who are entering the sport with little to no experience. NHT uses low compression balls which make learning the game fun and easy for young players. It's a great introduction to this lifelong sport.

\*Cost for this class is \$165 (ie \$15 per week for 11 weeks) Payable by Week 2 of Term 1. Class size is 4-6. (Note: Monday classes will be \$135 for 9 weeks)

### Junior Development Squad

The Junior Development class is aimed at junior players who are already competing in local junior competition. If you are a junior looking for an extra training session between team competition on weekends or an aspiring junior tournament player hoping to take their game to the next level, then this is the class for you. The class runs 3 times a week for 60 minutes at the Glenunga Tennis Club.

\*Cost for this weekly class is \$165 (ie \$15 per week for 11 weeks) Class size is 4-6. (Note: Monday classes will be \$135 for 9 weeks)

### Academy

The Academy program is geared towards serious players who are committed to playing at State, National and International levels. Players must be playing at a good local level (Division 1 Junior) and/or actively competing in Junior tournaments. If you fit this description and would like to join some of South Australia's junior tennis talent, then register your interest to [nick@nickhalltennis.com](mailto:nick@nickhalltennis.com) today. This squad will be offered on Tuesday, Wednesday and Thursday nights at the Glenunga TC. NHT Academy also operates 6 days a week at other venues for 2 hours. A full time program is also available to home schooled students.

### Private Lessons/ Hitting

Private lessons are available with Nick and his staff at the Glenunga Tennis Club, in addition if you would like to have a hitting session with one of the Academy's State League Players, this can also be arranged.
