Junior Development Class

This class is for players who are entering the sport with little to no experience. NHT uses low compression balls which make learning the game fun and easy for young players. It's a great introduction to this lifelong sport.

Class size is 4-6. *Cost for this class is \$15 per week. Payment for the full term by Week 2. (Note: a term may have 9, 10 or 11 weeks and can be affected by public holidays)

Junior Development Squad

The Junior Development class is aimed at junior players who are already competing in local junior competition. If you are a junior looking for an extra training session between team competition on weekends or an aspiring junior tournament player hoping to take their game to the next level, then this is the class for you. The class runs on Monday nights for 60 minutes at the Hahndorf Tennis Club. NHT offers other options daily at other locations (enquire for more info).

Academy

The Academy program is geared towards serious players who are committed to playing at State, National and International levels. Players must be playing at a good local level (Division 1 Junior) and/or actively competing in Junior tournaments. If you fit this description and would like to join some of South Australia's junior tennis talent, then register your interest to nick@nickhalltennis.com today. This squad will be offered on Monday nights at the Hahndorf TC. NHT Academy also operates 6 days a week at other venues for 2 hours. A full time program is also available to home schooled students.

Private Lessons/ Hitting

Private lessons are available with Nick and his staff at the Hahndorf Tennis Club, in addition if you would like to have a hitting session with one of the Academy's State League Players, this can also be arranged.
